

Motivation Letter – Proxy Product Owner

Dear Sir/Madame,

I am writing to express my interest in the Product Owner position your organisation Atlas Copco. With a master's degree in computing science and a bachelor's degree in Business Information Systems and over eight years of experience managing digital projects in Agile environments, I have developed strong expertise in translating business needs into effective technical solutions. My background in IT and engineering, combined with my understanding of ICT systems and digital processes, enables me to bridge the gap between strategy and execution efficiently.

I am fluent in business English and proficient in Dutch and French, allowing me to collaborate effectively across multicultural teams. Known for my “can-do” attitude, attention to detail, and ability to perform under pressure, I focus on delivering results and continuous improvement. I am drawn to your organization's innovative, people-oriented culture and believe my skills and mindset align well with your vision and objectives.

Thank you for considering my application. I would welcome the opportunity to discuss how my experience can contribute to your team's success.

Kind regards,

Philip Kuate.
